Curriculum Vitae

Kelly Horn is the Head of Environmental Management for the Illinois Emergency Management Agency's Bureau of Radiation Safety. Programs within the Environmental Management Section include Low Level Radioactive Waste, Site Decommissioning, Orphaned Sources, Response, Environmental Monitoring, and the Inspection and Escort Program for the transportation of spent nuclear fuel, transuranic waste, and highway route controlled quantities of radioactive material. He has approximately 20 years' experience with the transportation of spent nuclear fuel and radioactive waste. He is the Co-Chair of the Council of State Governments Midwestern Office's Radioactive Materials Transportation Committee, a member various Department of Energy Transportation Working Groups, and is a national instructor for the Commercial Vehicle Safety Alliance's Level VI Inspection program.
