LISA D. DANIELS

PA DEP, BSDW

DIRECTOR, BUREAU OF SAFE DRINKING WATER, PENNSYLVANIA DEPARTMENT OF ENVIRONMENTAL PROTECTION

Manages the development and implementation of the 3rd largest drinking water program in the country. Provides direction to central office, regional and district office staff to ensure state and federal program commitments are met and public health is protected at more than 8,500 public water systems that serve drinking water to 10.7 million people. Promotes healthy and sustainable communities through an effective safe drinking water program. Plans for future challenges within the water industry, including an aging infrastructure, resource gaps, increased risks to source water protection, emerging contaminants, and risks to water supply resiliency and sustainability.

Serves on state and national workgroups and committees for the following agencies/organizations:
