

## **Attachment to Truth in Testimony Disclosure Form**

*Federal Grants related to subject matter awarded to and/or as subcontract to Mona Hanna-Attisha at Michigan State University*

### **CURRENT FEDERAL GRANTS**

#### **Universal Strengths-Based Parenting Support in Pediatric Health Care for Families with Very Young Children Following the Flint Water Crisis**

NIH/NICHD  
1R01HD096909-01A1

Mendelsohn, A (PI)

3/1/2019–2/28/2024

The goal of this project is to determine how universal parenting support may help prevent adverse outcomes for young children in the aftermath of a disaster, like the Flint Water Crisis, in an already at-risk community like Flint.

Award Total: \$2,073,653

Role: Co-Investigator, Subaward

#### **Addressing and Preventing Lead Exposure Through Healthy Start**

Health Resources & Services Administration  
1 U62MC31100-01-00

Hanna-Attisha, M (PI)

4/1/2018 – 5/31/2022

The objectives of the Healthy Start Lead Expansion Grant are to: (1) identify children and pregnant women exposed to lead during the Flint water crisis and assess their receipt of recommended services; (2) assure access to and enrollment in appropriate services; (3) for children with elevated blood lead levels, assure developmental assessments, early intervention services and enabling services; (4) connect families to appropriate wrap – around services; (5) engage families and community partner organizations in identifying and addressing systems improvement opportunities.

Award Total: \$3,612,377

Role: Principal Investigator, Subaward

#### **Flint Lead Exposure Registry**

Centers for Disease Control and Prevention  
1 NUE2EH001370-01-00

Hanna-Attisha, M (PI)

8/1/2017 – 7/31/2021

The Flint Registry will document the effects on residents affected by the lead – tainted tap water, evaluate the effectiveness of health, educational, environmental and community services on improving the health of participants, and link residents to supportive programs and resources.

Award Total: \$14,400,000

Role: Principal Investigator

### **PAST FEDERAL GRANTS**

#### **Prenatal Exposures and Child Health Outcomes: A Statewide Study**

NIH/OD  
1 UG3 ODO23285-01

Paneth (PI)

9/21/2016 – 8/31/2018

The goal of this multisite project is to determine the impact of environmental exposures during the most sensitive period of child development.

Award Total: \$1,307,702

Role: Co – Investigator

#### **Rapid Response to Contaminants in Flint Drinking Water: Formation of Disinfection By – Products in the Distribution System**

NIH/NIEHS  
1R21 ES027199-01

McElmurry (PI)

4/1/2016 – 3/31/2018

The goal of this project is to provide ongoing assessment of the Flint drinking water and to provide effective and creative risk communication.

Award Total: \$5,000

Role: Co-Investigator
