

**Keith A. Christman**

Keith Christman is Managing Director of Plastic Markets at the American Chemistry Council's (ACC) Plastics Division where he oversees the council's Marine Debris, Packaging, Building and Construction, Automotive, and other market team advocacy. He also served as Chairman of the industry's Global Action Team leading the creation and implementation of the *Declaration of the Global Plastics Associations for Solutions on Marine Litter* for over 7 years. As part of the *Declaration*, over 350 projects addressing marine litter have been implemented since 2011 by over 75 plastic associations in more than 35 countries.

Keith joined ACC in 1991 after earning a Master of Science in Economics from the University of Delaware.
