

Kevin D. Sunday

EXPERIENCE

Pennsylvania Chamber of Business and Industry Harrisburg, PA

Director, Government Affairs (March 2016 – present)

Manager, Government Affairs (March 2014 – March 2016)

Leads the advocacy efforts for the largest, pro-business advocacy organization in the state related to telecommunications, transportation, energy and environmental legislative and regulatory issues, including matters relating to air, waste, water, land use, natural resources, power generation and transmission

Works with the Chamber's communications and government affairs team to engage lawmakers, government agency executives, fellow stakeholders, the media and the general public on legislative and regulatory issues

Manages the Chamber's environmental advisory executive committee

Collaborates with the Chamber's outreach staff to plan, develop and execute various seminars and educational conferences

Testifies before and presents to federal and state legislative committees and regulatory agencies on permitting and policy matters, including the United States House of Representatives, Pennsylvania General Assembly, DEP, EPA and FERC

Quantum Communications Harrisburg, PA

Strategic Communications Consultant (August 2013 – March 2014)

Assisted in coordinating public affairs for a leading midstream pipeline company and exploration and production company

Developed and executed social media, earned media and government relations strategy for the Pennsylvania presence for a national natural gas trade association

Pennsylvania Department of Environmental Protection Harrisburg, PA

Deputy Press Secretary (February 2011 – August 2013)

Served as spokesman for state's policies, permitting and enforcement of oil and gas, air quality, waste and mining regulatory activities

Wrote legislative testimony, correspondence, and editorials and prepared research and briefings for administration and department executives, including Governor Tom Corbett and DEP Secretaries

Pitched stories and earned favorable media coverage in leading national, state and local media

Developed and coordinated strategic public affairs plans for the roll-out of key administration policies

EDUCATION

Bachelor of Science, Mass Communications, Towson University, Towson, MD (2008)

Graduated magna cum laude (GPA 3.8)

Awarded Department of Communications Certificate of Excellence in Leadership
