

## **Tim Pawlenty – Summary Biography and Headshot**

*CEO, Financial Services Roundtable*

Tim Pawlenty is the Chief Executive Officer of the Financial Services Roundtable. As CEO of FSR, Governor Pawlenty brings dynamic leadership and vision to Washington to serve FSR's members. As a former two-term Governor of Minnesota, he is a leader with significant executive experience having overseen a \$50 billion biennial budget, led 30,000 state employees, and managed 20 individual state agencies and departments.

As chair of the Minnesota State Board of Investment, Governor Pawlenty directed more than \$60 billion in public and private investments during his tenure. As Governor, his education, healthcare, and energy initiatives were widely viewed as among the most innovative in the nation. He served as chair of the National Governor's Association from 2007-2008 and chair of the Midwest Governor's Association from 2006-2007.

Governor Pawlenty is nationally respected as a serious policymaker who combines his depth of subject matter knowledge with a unique ability to communicate on complex issues. His recognition as one of the foremost thought leaders in the country brings peerless credibility to FSR, FSR's members, and the financial services industry at large.
