MEMORANDUM

To: Members, Committee on Natural Resources
From: The Honorable Rob Bishop, Chairman
Subject: Full Committee Markup

On **Wednesday, January 10, 2018** the Committee on Natural Resources will convene at **10:00 a.m.** for **opening statements and markup** in 1324 Longworth House Office Building. Further to Chairman Bishop's end of the year letter on Natural Resources Committee policy changes, there will be format changes to the markup structure. We plan to try two different models, but both will combine opening statements and the amendments process in a single meeting.

Further details, including a list of legislation and amendment deadline details, will be forthcoming. For further information regarding the markup, please contact Domenica Watkins, Committee on Natural Resources, at x5-2761.
