

Amendment # 3

**Amendment to the Amendment  
In the Nature of a Substitute to H.R. 1225  
Offered by Mr. Graves of Louisiana**

On Page 3, Strike lines 15 through 17 and insert the following:

“(e) Use of Funds—Amounts allocated from the Fund shall be prioritized on a pro rata basis to support infrastructure projects, including but not limited to natural infrastructure, coastal resiliency, hurricane protection, flood prevention and protection, and ecological restoration projects in States from which revenues in the Fund were originally derived. Amounts in the Fund shall be used as follows:”.

On Page 5, strike subparagraph (h) and insert the following:

“(h) Submission to Congress—The Secretary of Interior shall submit to the Committee on Appropriations and Energy and Natural Resources in the Senate and to the Committees on Appropriations and Natural Resources in the House of Representatives, with the annual budget submission of the President, a list of projects for which the amounts in the Fund are allocated under this section, prioritized on a pro rata basis to support projects in states from which revenues in the Fund were originally derived, including a description of each such project.

“(1) For the purposes of (h) offshore production revenues shall be considered to be generated in a State if the geographic center of the lease tract is located within the area formed by the extension of the State’s seaward lateral boundaries, calculated using the connections established to delineate international boundaries under the Law of the Sea.”.
