

Amendment #4

**Amendment to the Amendment
In the Nature of a Substitute to H.R. 2579
Offered by Mr. Graves of Louisiana**

On page 30, line 10, after “located” insert the following:

“and allocated for the following purposes—

“(A) 25 percent shall be allocated for expenditure by a State for projects designed to sequester carbon through natural systems; and

“(B) 25 percent shall be allocated to one or more federally authorized community resilience projects.”.
