

Amendment #4

**Amendment to the Amendment in the Nature of a Substitute to H.R. 263
Offered by Mr. Graves of Louisiana**

At the end of the bill, insert the following –

“No provision of this act shall take effect if determined to restrict access to critical mineral resources found on federal lands or if determined to increase U.S. reliance on foreign nations who do not comply with basic human rights standards as prescribed by the United Nations “Universal Declaration of Human Rights,” as it relates to slavery, servitude, inhuman punishment, and equal protection against discrimination.”
