

Graves #6

**Amendment to the Amendment in the Nature of a Substitute to H.R. 2021
Offered by Mr. Graves of Louisiana**

At the end of the bill, insert the following –

“SEC. 31. TRANSPARENCY IN ENVIRONMENTAL JUSTICE FUNDING ALLOCATIONS.

(1) **IN GENERAL.**— The Director of the Office of Management and Budget shall publicly disclose and publish or require the appropriate federal agency to publicly disclose and publish, any and all instances in which environmental justice, as defined by this act, or if any non-statutory criteria are relied upon in the decision making process as it relates to the development of funding opportunities, evaluation of applications for federal funding, the allocation of federal funds, or the awarding of federal funds.

(2) **PUBLICATION.** – Public disclosure of any circumstances in which environmental justices or non-statutory criteria are relied upon in the grantmaking process shall provide a thorough explanation and quantified basis for how such criteria are considered and weighted into the decision making process.
