

Amendment #7*

**Amendment to the Amendment in the Nature of a Substitute to H.R. 2021
Offered by Mr. Graves of Louisiana**

On page 76, Subsection 14(d) is amended—

In paragraph (5), by striking the period and inserting “; and”; and

By adding at the end the following –

“(6) assure impacted communities who are closest to the source of the proposed action are not paying higher energy costs than those who are not as close to the source of the proposed action as determined by an assessment that is conducted by the Secretary of Energy on reliable energy sources and on electricity prices for low-income communities, minority communities, Native Americans, and senior citizens. If the assessment finds that the provision will decrease access to reliable energy resources or increase electricity prices for those communities closest to the proposed action, then no provision of the Environmental Justice for All Act shall take effect.”
