

Webster #1

**Amendment to the Amendment in the Nature of a Substitute to H.R. 4690  
Offered by Mr. Webster of Florida**

On page 188, line 18, strike “Section” and insert “(a) Generally.—Section”.

On page 189, following line 12, insert the following –

“(b) Spiny Lobster Exemption.—”

“(A) IN GENERAL.—Each annual catch limit, consistent with subsection (h)(6)—

“(i) may take into account management measures under international agreements in which the United States participates; and

“(ii) in the case of an annual catch limit developed by a Council for a species, shall take into account fishing for the species outside the exclusive economic zone and the life-history characteristics of the species that are not subject to the jurisdiction of the Council.

“(B) EXCEPTION TO ANNUAL CATCH LIMIT REQUIREMENT.—If fishery management activities by another country with respect to fishing outside the exclusive economic zone may hinder conservation efforts by United States fishermen for a fish species for which any of the recruitment, distribution, life history, or fishing activities are transboundary, and for which there is no informal transboundary agreement with that country in effect, then—

“(i) notwithstanding subsection (h)(6), no annual catch limit is required to be developed for the species by a Council; and

“(ii) if an annual catch limit is developed by a Council for the species, the catch limit shall take into account fishing for the species outside the exclusive economic zone that is not subject to the jurisdiction of the Council.

“(5) AUTHORIZATION FOR MULTISPECIES COMPLEXES AND MULTIYEAR ANNUAL CATCH LIMITS.—For purposes of subsection (h)(6), a Council may establish—

“(A) an annual catch limit for a stock complex; or

“(B) annual catch limits for each year in any continuous period that is not more than 3 years in duration.”
