

Grijalva #2

**AMENDMENT OFFERED BY REPRESENTATIVE GRIJALVA TO
THE AMENDMENT IN THE NATURE OF A SUBSTITUTE TO H.R. 2925 OFFERED BY REPRESENTATIVE STAUBER**

At the end, insert the following:

“(f) MINING PLAN OF OPERATIONS.—A new or revised mining plan of operations shall not be approved without including the following from the claimant or operator:

“(A) assessments of baseline (pre-mining operations) groundwater and aquifer water tables;

“(B) assessments of baseline (pre-mining operations) water quality;

“(C) expected water use;

“(D) plans for mitigation of water availability and adverse impacts to water quality; and

“(E) a demonstration of assured water supply for the full lifespan of the mine.”.
