

Streamline Strategies L.L.C.

2022- current

Principal – Baton Rouge, Louisiana

- Advocacy for and with local government officials with a focus on coastal policy.
- Provide representation for clients before state agencies, advocating for their interest and building relationships with state agency officials and staff.
- Monitor regulatory developments and identify opportunities for clients engagements.
- Executive Director of Parish Presidents of Louisiana, which was created to improve existing dialogue among member Parishes, formulate local government strategies, unite Home Rule Chartered Parishes, and build coalitions.
- Executive Director of Parishes Advocating for Coastal Endurance which was created to provide Parish Presidents, Mayors, and Police Jury officials in Louisiana's twenty Coastal Parishes an active forum for education regarding common coastal issues related to land loss and resiliency, for the exploration and proposal of workable solutions for these common issues, and for advocacy in both the State Capital and in Washington, D.C. to secure commitments and funding necessary to alleviate these unique coastal problems for the benefit of all Louisiana's coastal residents.

Office of the Governor (Governor John Bel Edwards)

2020 –2021

Deputy Director of Legislative Affairs – Baton Rouge, LA

- Senate Liaison for Governor Edwards.
- Responsible for the development and implementation of strategies and policies to advance the Governor's vision for Louisiana.
- Responsible for articulating the Governor's position on legislation with the Legislature.
- Responsible for managing the OCS Governor's coalition in which Governor Edwards was Chairman. The Coalition works with the other Gulf Coast States and Alaska to amplify our voice in advancing and influencing a sensible path forward for the development of America's offshore energy resources.
- Oversight of agency policy which include Department of Wildlife and Fisheries, the Coastal Protection and Restoration Authority, Department of Environmental Quality and Department of Natural Resources.
- Assist with Federal Affairs, specifically Coastal and Natural Resources policy.

Office of the Governor (Governor Bobby Jindal and Governor John Bel Edwards)

2013- 2020

Director of Intergovernmental Affairs- Coastal Activities – Baton Rouge, LA

- Governor's Office liaison to 20 Coastal Parishes and their local elected officials
- Liaison for all State Representatives and State Senators
- Liaison for Louisiana's Congressional delegation
- Monitor political and legislative developments impacting the coastal program
- Work with state legislators, and Congressional delegation assisting with legislation and policy matters in regard to Coastal Restoration and Protection in Louisiana.
- Initiate and organize field trips for the education of elected officials to broaden knowledge of Coastal Restoration.
- Organize Natural Resource Damage Assessment (NRDA) meetings with Parish officials and the Coast Guard, which resulted in priorities being met for parishes.
- Successfully passed the Coastal Restoration and Protection Authority's Master and Annual Plans unanimously through the state legislature.
- Successfully passed legislation that will help move the state's coastal program forward.
- Coordinate with parishes as their government liaison on the direct component aspect of the RESTORE Act, which includes a parish/ state matching program.
- Work with staff at CPRA to prioritize parish projects that are consistent and complementary to Louisiana's Master Plan to leverage dollars for matching with parishes.
- Established the GOMESA Revenue Sharing Coalition, which involved business, industry, coastal stakeholders, and local elected officials along the Gulf Coast to push for an increase in Outer Continental Shelf revenues that come to the Gulf States (Mississippi, Alabama, Louisiana, and Texas).

Office of Governor Bobby Jindal
