A brief bio:

KYLE GRAHAM is an environmental professional experienced in navigating regulatory and compliance challenges to implement large-scale environmental projects and programs. He previously served as Executive Director of Louisiana’s Coastal Protection and Restoration Authority and as Louisiana’s Trustee for the Deepwater Horizon oil spill. He is currently a Senior Program Manager at Ecosystem Investment Partners (EIP), where he focuses on establishing Pay for Performance contracts to efficiently and effectively implement large scale ecological restoration.

Kyle has a BS in Biology from the University of North Carolina and a MS in Biology from Appalachian State University. Kyle resides in the front range of Colorado where he enjoys all the great outdoors has to offer.

2. Please list any federal grants or contracts (including subgrants or subcontracts) related to the subject matter of the hearing that were received in the current year and previous two calendar years by you or the organization(s) you represent at this hearing, including the source and amount of each grant or contract.

While neither I nor Coastal Protection and Restoration Authority has received federal grants or contracts responsive to this request, the “Tides End” project managed by my current employer Ecosystem Investment Partners is under contract with California Department of Water Resources to deliver a project that may be partially funded through a Federal grant. Similarly Ecosystem Investment Partners have provided mitigation credits for Federal projects.

3. Please list any contracts or payments originating with a foreign government related to the subject matter of the hearing that were received in the current year and previous two calendar years by you or the organization(s) you represent at this hearing, including the amount and country of origin of each contract or payment.
