

**Amendment to Authorization and Oversight Plan**  
**Offered by Rep. Ansari**

On page 2, at the beginning of the “**ENERGY AND MINERAL RESOURCES**” heading, insert:

“The Committee will aggressively investigate the access of sensitive data — including sensitive corporate information, trade secrets, and financial information of oil and gas companies operating on public lands and waters — by DOGE employees and associates, including to determine which laws were violated and what data has been compromised and by whom. The Committee will pursue appropriate legislation to ensure that such data cannot be unlawfully accessed again, as well as appropriate legislation to undo or mitigate any harms resulting from the unlawful exposure of such information.”
