

Amendment to the Westerman ANS to the Committee Print
Offered by Rep. Stansbury

At the end, insert the following:

Subtitle D—General Provisions

Section 80401. In addition to amounts otherwise available, there is appropriated to the Offices of the Inspector General of the U. S. Department of the Interior, U.S. Department of Agriculture, and U.S. Department of Commerce such sums as may be necessary to investigate and provide a full accounting to Congress on

1. The impacts of the actions of current and former employees of the Department of Government Efficiency on
 - a. agency staffing, involuntary separations, and Departmental restructuring;
 - b. delivery of programs and services required by statute or other legal means;
 - c. freezing of federal funding, including grants, cooperative agreements, and contracts;
 - d. access to, exfiltration of, manipulation of, and application of artificial intelligence to federal data systems and data;
2. any laws or rules that may have been broken in the conduct of activities by current and former employees of the Department of Government Efficiency; and
3. individuals responsible such activities.
