

Amendment #2

Amendment to the Hunt ANS to H.R. 2556
Offered by Rep. Brownley

On Page 8, after line 25, insert the following:

“(4) a comprehensive assessment of the greenhouse gas emission potential of these undiscovered resources, including how the release of these emissions would impact the United States’ ability to comply with the terms of the Paris Agreement and limit warming to below 2°C above pre-industrial levels and including the human health risks of developing these resources.
