

# **Nick Loris**

## **Executive Vice President for Public Policy, C3 Solutions**

### **Experience**

---

#### **C3 Solutions**

##### **Executive Vice President for Policy** (May 2021-present)

- Develop consumer-centric policy solutions that remove barriers to energy innovation across all energy sources and technologies.
- Write policy papers, testimony, and opinion editorials on ways to deliver affordable, reliable energy and improve the environment.
- Communicate the importance of economic freedom in promoting increased prosperity and environmental improvement through public speeches, private roundtables, television, and podcasts.
- Foster discussions among think tanks, policymakers, and the private sector to solve complex policy and regulatory challenges.

#### **Institute for Economic Freedom and Opportunity, The Heritage Foundation**

##### **Deputy Director, Roe Institute for Economic Policy**

##### **Herbert & Joyce Morgan Fellow, Energy & Environment** (March 2009 – April 2021)

- Managed a team of analysts working on economic, energy, trade, and regulatory issues
- Wrote papers (from 3 to 15 pages) to inform Congress on various market-based solutions to energy policy and environmental challenges.
- Testified before Senate and House committees (18 testimonies on a wide range of issues that include: forest management, critical minerals, federal land management, climate change policy, energy innovation, climate change, and military resilience)
- Participated in radio and television interviews, including NPR, CNN, CSPAN, MSNBC, CNBC, Fox News and Fox Business
- Organized, hosted, and spoke on panel discussions, roundtables, keynote addresses, and other public events in the U.S. and around the world

##### **Research Manager, Energy and Environment**

October 2017 - present

- Manage the Heritage Foundation's energy and environment team's policy analysis and research agenda
- Engage and collaborate frequently with Capitol Hill staff and Members to advance policy ideas
- Collaborate with outside research organizations to advance policy interests

##### **Research Associate, Energy, Regulatory Reform and the Environment**

June 2007 – March 2009

- Provide timely, accurate research and editing for the energy and environment policy team
- Write policy papers, blogs, and other publications for Congress and the public on current energy news

##### **Northern Virginia Community College, Professor in Economics**

June 2010 – June 2011

- Teach principles of micro and macroeconomics to undergraduate students.

### **Education**

---

#### **George Mason University, Fairfax, VA**
