

Amendment #1

Amendment to the Westerman ANS to H.R. 4776
Offered by Rep. Huffman

Strike page 1, line 12, through page 2, line 2, and insert:

“(b) Federal agencies shall fulfill these purposes by considering and disclosing environmental effects, taking action to protect, restore, and enhance the environment, meaningfully engaging with the public, and by avoiding, minimizing, and mitigating reasonably foreseeable adverse effects to the environment.””
