

Amendment #22

Amendment to the Westerman ANS to H.R. 4776
Offered by Rep. Randall

Add at the end, insert:

SEC. 4. ENSURING NEPA REVIEW FOR OFFSHORE OIL AND GAS DEVELOPMENT.

Notwithstanding the Department of the Interior's faulty determination that the National Environmental Policy Act is inapplicable for offshore oil and gas lease sales mandated by Public Law 119-21, the Department of the Interior shall conduct a thorough environmental review in accordance with NEPA for each such lease sale, including public comment periods and analysis of the impacts of such lease sales.
