Personal Purpose Statement: Be fully present in the lives of my family and friends and perform meaningful work that encourages prosperity widely shared, provides deep community engagement, strengthens the social license of my organization and creates a more informed and knowledgeable citizenry.

Leadership Highlights

- Developed Minnesota Power's Community Advisory Panels to strengthen communication with community leaders, provide education and information about a transforming electric utility industry and encourage greater awareness of strategic regional issues.
- Inspired and implemented the creation of ALLETE Advocates, a corporate grassroots initiative to educate, inform and engage employees in issues of importance to the company, its customers and communities.
- Co-Founded the Area Partnership for Economic Expansion in 2003, a 72 member company, private sector organization encouraging business development and investment in Northeastern Minnesota and Northwest Wisconsin. Currently serving as Past Chair.
- Co-Founded the Jobs For Minnesotans coalition of business, labor and communities advocating for economic growth and responsible development in Minnesota in 2012, along with the Minnesota Chamber of Commerce and the Minnesota Construction and Building Trades Council. Serving as the Chair since inception.
- Completed the Blandin Foundation Community Leadership program strengthening communities in rural Minnesota.
