EDUCATION

Virginia Polytechnic Institute and State University, M.S., Fisheries Science, 1987-90
Mississippi State University, B.S., Fisheries Management, 1983-87
Greenville High School, 1981-83

PROFESSIONAL INTERESTS

Developing and maintaining private, voluntary, incentive, tax, and market-based solutions to environmental problems.

HOBBIES

Fly fishing, hunting, cooking, horses, wildlife photography and working on the farm.

SIGNIFICANT CONSERVATION POLICY ACCOMPLISHMENTS

- 2016 - Conceptualized and working with Congress to develop the Endangered Species Recovery Program, a program to recover species associated with military lands.
- 2014 - Worked with other conservation groups and the Congress to reauthorize the conservation and forestry provisions of the Farm Bill, especially the Wetlands Reserve Program and the Wildlife Habitat Incentives Program.
- 2012 - Worked with other conservation groups and the Congress to develop the RESTORE Act. The Act sets the parameters by which Gulf Coast restoration efforts occur using fines from the 2010 Deepwater Horizon Oil Spill.
- 2008 - Conceptualized and worked with Congress to develop the Emergency Forest Restoration Program, a program to assist private landowners in restoring their forests following a natural disaster.
- 2006 - Worked with the Mississippi Legislature to establish the Mississippi Legislative Sportsmen's Caucus, the largest Caucus in the Mississippi Legislature and the largest Sportsmen's Caucus in the Nation.
- 2004 - Conceptualized and worked with Congress to develop legislation for the Holt Collier National Wildlife Refuge, the first refuge in the Nation named for an African-American, and the Theodore Roosevelt National Wildlife Refuge.
- 2003 - Conceptualized and worked with Congress to develop legislation for the 2-million acre Healthy Forests Reserve Program. Coordinated the Southern strategy for the Healthy Forests Restoration Act.
- 2002 - Worked with other conservation groups and the Congress to establish the Grassland Reserve Program. Assisted Congress in developing the Northern Bobwhite Quail Initiative.
- 2000 - Worked with the Office of the Governor to acquire the Sky Lake Wildlife Management Area, one of the largest stands of ancient cypress in the world.
- 1996 - Conceptualized and assisted Congress in writing legislation for the \$700 million Wildlife Habitat Incentives Program.

WORK EXPERIENCE

1999 - **Executive Director**

Present

Wildlife Mississippi, Stoneville, Mississippi 38776.

The chief executive officer of Wildlife Mississippi. Duties include being in charge of all activities of all salaried employees, development of Wildlife Mississippi's goals, objectives and programs in conjunction with the Board of Trustees. Develops standard operating procedures. Coordinates federal and state legislative programs. Prepares an annual budget in conjunction with Wildlife Mississippi's chairman, president, treasurer and bookkeeper. Directs membership programs. Editor of all publications, including the magazine.
