Currently-

- 5 years as Executive Director for a non-profit, Montana Sportsmen for Fish and Wildlife based out of Missoula, MT
- 4 years as Vice President, Outdoor Heritage Coalition, coalition of several sportsmen's organizations
- 4 years as a member of Montana Caucus of the Congressional Sportsmen's Foundation, currently the chairman
- Recently, appointed to the citizens board of The Montana Fish and Wildlife Conservation Trust

Background-

My life has been about being outdoors as a sportsman and my professional career has allowed me to be outdoors in Montana over three decades. I was a protector of our cherished wildlife resources for 26 years in Montana. I am also an avid hunter and an angler. I have been in wilderness areas throughout Montana and assisted with fire suppression events throughout my career. I am retired now and am involved with several conservation efforts as it is a way of life for me.
