PROFESSIONAL EXPERIENCE

Owner/Operator, Wild Seafood Co. Madeira Beach, FL. *2012-Present*

Built and continue to operate my own fish buying/distribution business buying and selling commercially-harvested fish and shellfish at Don's Dock in John's Pass. Manage daily operations of this small family business. Manage accounts and bookkeeping. Handle over 750,000 pounds of commercially-harvested reef fish. Employ approximately 50 captains, crew, and fish house staff. Partner with Gulf Wild to ensure full transparency and traceability of branded seafood.

Owner/Operator, Wild Seafood at John's Pass dba Don's Dock. Madeira Beach, FL. *2012-Present*

Manage a recreational fishing dock selling bait, fuel, ice, and convenience store items to recreational and charter fishermen at Don's Dock in John's Pass. Manage daily operations of this small family business. Manage accounts and bookkeeping.

Commercial Longline Fishing Vessel Owner, Self Employed. Largo, FL. *2009-Present*

Manage four full-time commercial longline vessels that harvest reef fish from the Gulf of Mexico.

Commercial Spear Fisherman, Self Employed. Largo, FL. *2005-Present*

Operate one commercial spear fishing vessel to harvest reef fish from the Gulf of Mexico using spear.

Owner, JBY Outboard. Tampa, FL. *2001-2010*

Built and operated my own outboard motor repair company. Employed as owner, mechanic, bookkeeper, manager.

Manager/Sales Associate/Metal Worker, Big 3 Truck Salvage. Tampa, FL. *1991-2001*

Employed as a metal worker at my family-owned salvage business. Advanced from metal worker to database manager to sales associate, to manager.

Sales Associate, Video Wiz. Tampa, FL. *1986-1991*

Employed as a sales clerk at my family-owned video business. Operated as sales clerk in the retail department.
