Hi Linda,

I'm following up previous touching bases with you re: re-locating the buoy line below Speed Alley/Refuge area as you enter the river channel.

Thank you.

Hi (b)(6) I'm still in the process of drafting a proposal to send out for public comment. I'd hoped to have time to work more on this write up during December, but I didn't have as much as I would have liked. Thank you.

Linda L. Miller
