17 **SEC. 102. OPERATIONS AND REVIEWS.**

18 In carrying out section 101(a), the Secretary of the  
19 Interior and the Secretary of Commerce shall implement  
20 their statutory authorities in a manner that improves

6 application of applicable State law or regulation, the State  
7 of California (including any agency or board of the State

9 that directly or indirectly results in reduced water supply  
10 to the SWP as compared with the water supply available  
11 under the Preferred Alternative, and as a result, CVP  
12 yield is greater than it otherwise would have been under  
13 the Preferred Alternative, then that additional yield shall  
14 be made available to the SWP for delivery to SWP Con-  
15 tractors to offset that reduced water supply. If it is nec-  
16 essary to reduce water supplies for any authorized uses  
17 of the CVP or CVP Contractors to make available to the  
18 SWP that additional yield, such reductions shall be ap-
