Justin Jahnz Resume

Justin Jahnz is the fifth President/CEO in East Central Energy's 87 years of service. With over twenty years of experience in the electrical industry, fourteen of them at ECE, Justin serves on the National Rural Telecommunications Cooperative and the Wisconsin Electric Cooperative Association boards. He has also served on planning teams for Great River Energy and the National Rural Electric Cooperative Association. Justin has been an industry leader in the promotion of electric vehicles. He has developed many strategic projects in the area of load growth to benefit the members of ECE.

His education includes a Bachelor of Science degree in business administration from Metro State University and a Master of Arts in strategic leadership from Bethel University. He holds a Class A Master Electrician license.

Justin prides himself on his servant leadership style, inclusive nature, and strong understanding of the cooperative business model. His years of strategic planning expertise include the consideration of next-generation member needs, with the goal of furthering member engagement.

He has been married for twenty years to his high school sweetheart, Kris, and they have four children. In his spare time, Justin enjoys spending time outdoors and photography.
