For Nongovernment Witnesses ONLY:

1. Please attach/include current curriculum vitae or resume.

2. Please list any federal grants or contracts (including subgrants or subcontracts) related to the subject matter of the hearing that were received in the current year and previous two calendar years by you or the organization(s) you represent at this hearing, including the source and amount of each grant or contract.

- Neither I nor my company have received any grants or contracts.

The association of which I am president, the International Wood Products Association, has received a grant from the United States Department of Agriculture, Animal Plant Health Inspection Service (USDA-APHIS) for \$1,275,250, which allows IWPA to share its Lacey Act compliance training with any industry affected by the Lacey Act Declaration. This grant would not be impacted by the legislation nor vice versa, but given that they both deal with the Lacey Act, out of an abundance of caution I would like to note it.

3. Please list any contracts or payments originating with a foreign government related to the subject matter of the hearing that were received in the current year and previous two calendar years by you or the organization(s) you represent at this hearing, including the amount and country of origin of each contract or payment.

- None

4. Please disclose whether you are a fiduciary (including, but not limited to, a director, officer, advisor, or resident agent) of any organization or entity that has an interest in the subject matter of the hearing.

- As an importer of legally sourced and harvested lumber we could potentially benefit from this bill by avoiding extra demurrage charges as we have in past instances.

5. Please list any current or pending litigation against the Federal government to which you or your organization is a party. Please disclose as applicable case name, docket number, the court, and subject matter of the litigation.

- None
