No Road Map, No Destination, No Justification: The Implementation and Impacts of the Reorganization of the Department of the Interior

Questions from Chairman Raúl M. Grijalva for The Honorable Scott Cameron and Principal Deputy Assistant Secretary for Policy, Management and Budget

1. During the hearing, Mr. Cameron was unable to answer questions related to an email chain sent from career staff stating that documents to all senators and me were directed to be bottlenecked through two political appointees handling nominations. I did not vote on Secretary Bernhardt's nomination. Please provide answers to the following:
 - a. Why was I singled out?
 - b. Which political appointee or appointees gave this direction?
