

FAITH WILLIAMS

PROFESSIONAL EXPERIENCE

Project On Government Oversight

March 2023-Present

Director, Effective and Accountable Government Program

- Lead the strategy, development, and execution of the Effective and Accountable Government team's policy priorities and advocacy campaigns, driving progress toward both short- and long-term reform goals.
- Serve as the organization's lead policy expert on oversight and governance issues, including inspectors general, the power of the purse, regulations, and federal vacancies.
- Advise senior leadership on organizational goal setting, operational strategy, and decision-making processes to strengthen performance, accountability, and impact.
- Secured several hundred thousand dollars in foundation funding by authoring compelling grant proposals and cultivating relationships with philanthropic partners.
- Testified before the House Oversight Committee on government effectiveness.
- Represent and advocate on behalf of the organization in high-level meetings with members of Congress, executive branch officials, and civil society leaders; hold a leadership role in a major national democracy coalition.
- Publish policy analyses on the organization's platforms and partner with print, radio, and social media outlets to amplify key policy reforms.
- Supervise and mentor team members, aligning their work with organizational objectives while fostering professional growth and cross-team collaboration.

National Council of Jewish Women, Inc. (NCJW)

August 2015-March 2023

Associate Director, Government Relations and Advocacy

- Developed, coordinated, and executed the organization's advocacy strategy in partnership with the department director.
- Built and leveraged relationships with grassroots and grassroots advocates, coalition partners, and policy makers to advance progressive policies.
- Led the organization's voter engagement initiative for 200,000 members and supporters.
- Maintained expertise on a broad range of policy priorities while managing lower level staff.

Deloitte Consulting, LLP

February 2010-August 2015

Senior Consultant, United States Postal Service and Department of Justice

- Earned Project Management Professional (PMP)® certification, demonstrating expertise in project planning, execution, and stakeholder management.
- Led team to enhance efficiencies in the U.S. Postal Service's package tracking operations by implementing project management best practices.
- Developed and delivered executive-level presentations on project progress and key challenges to Postal Service stakeholders, informing strategic decisions and optimizing program outcomes.
