

U.S. House of Representatives
Committee on Natural Resources
Washington, DC 20515

Statement for the Record
Subcommittee on Oversight and Investigations
“Unleashing America’s Mineral Potential: The Critical Mineral Supply Chain”
Wednesday, March 25, 2026
Ranking Member Maxine Dexter

In today’s hearing, I made a motion to subpoena three people about a deal involving Vulcan. I incorrectly named Ronnie Pruitt, CEO of Vulcan Materials. I should have named John Maslin, CEO of Vulcan Elements.

Sincerely,

Maxine Dexter
Ranking Member
Subcommittee on Oversight and
Investigations
