Summary

Chugach Alaska Corporation was established under the Alaska Native Claims Settlement Act of 1971 and represents more than 2,500 shareholders. Chugach's mission is to maintain profitability for its shareholders, protect traditional Native lands, perpetuate and celebrate its culture, and educate and develop the Chugach people. Chugach strives to fulfill its mission through developing operational businesses and a diverse investment portfolio. Chugach's operating businesses provides wide-ranging facility services for federal, municipal and commercial clients including base operations support, construction, facility management and information technology management. We support public and private owners of commercial, retail, aviation, medical, education and energy facilities. Learn more at www.chugach.com.

Experience

Board Member at Spaceflight Industries

2013 - Present

Spaceflight Industries (Spaceflight), is a next-generation space products and services company that is transforming how satellites are built, launched and operated. Through its wholly owned subsidiaries Spaceflight Systems and Spaceflight Services, Spaceflight is streamlining the process and reducing the cost to access and operate in space.

CEO at Chugach Alaska Corporation

July 2012 - Present

Responsible for growing the Chugach group of companies and maintaining the company's commitment to integrity, quality, employees, customers and the community.

Board Member at Geneva Woods Pharmacy, Inc.

2015 - December 2017 (3 years)

For more than 30 years, Geneva Woods' goal has been to keep our patients healthy at a home setting. We specialize in meeting a wide range of home healthcare needs, whether delivered at home or in assisted living facilities, and whether they are self-administered or provided by professionals, including our own. We provide comprehensive services for pharmacy (LTC compliance packaging, compounding, infusion and retail), medical equipment, specialty rehab, home infusion, respiratory and other services that ensure convenience, professionalism and efficiency.

President at Chugach Alaska Corporation

January 2012 - December 2017 (6 years)

Chugach's commercial companies serve the needs of energy producers and facility owners. We are in growth mode and are looking for quality companies to join our group. We are interested in full or partial acquisitions. In addition, Chugach has a growing investment portfolio which includes utilities, real estate, and other income producing opportunities.

Vice President

June 2002 - December 2011 (9 years 7 months)

During his tenure at Bentall, Gabe worked in both the asset management and the transactions group. He was involved in acquisitions and dispositions totaling over \$450 million. In addition, he negotiated and secured long term contracts worth over \$500 million. His diverse transaction experience included leading negotiations with a variety of businesses including manufacturing, distribution, wholesale and consumer retail, software development, architecture, engineering, construction, and the full spectrum of professional and financial service companies. Prior to his departure, Gabe was responsible for a portfolio of investments ranging in value from \$700 million to \$1 billion. The portfolio produced between \$42 million and \$60 million in annual net income. In addition, he managed several teams located throughout the Western United States including Los Angeles, San Diego, Dallas, Denver, Minneapolis, and Portland.

At the time of his departure, Bentall Kennedy managed assets totaling \$23 billion for over 400 clients. In the United States, Bentall Kennedy acts as a real estate investment advisor for a select number of public, corporate and Taft-Hartley retirement systems, as well as major university endowments and sovereign wealth funds. From their network of offices in key US markets, they deliver core and value-added results to a select group of separate account clients and a market-leading open-ended commingled fund.

Education

University of Washington

Master of Public Administration (MPA), Urban Economics and Real Estate Development, 2000 - 2002

University of Washington

Bachelor of Arts (BA), Sociology, 1991 - 1995
