**Director, Sealaska Corporation**

Under the terms of the Alaska Native Claims Settlement Act of 1971, Sealaska Corporation—as the regional Alaska Native corporation for Southeast Alaska—is conveyed the subsurface underlying surface estate conveyed to any Alaska Native village corporation or Alaska Native urban corporation in the region. H.R. 4748 would establish five new Alaska Native urban corporations, each of which would receive one township of land. Sealaska would therefore receive the subsurface estate under the five townships of land conveyed to the new Alaska Native corporations.
