I will testify as Executive Chairman of The Chertoff Group and my views will represent my sole opinion. As I have also already communicated to the Committee, The Chertoff Group is a global security and risk management advisory firm that does have technology clients interested in the topic of this hearing, including Microsoft who is testifying as a witness. However, The Chertoff Group is not a registered lobbyist on behalf of Microsoft and is not representing any specific company at this hearing. I will provide my opinion and testimony based on my own experience and understanding of the issues.
