

Morton Klein of the Zionist Organization of America (ZOA) and Candace Owens of Turning Point USA will be testifying at a congressional hearing on hate crime. Not only does neither individual possess any expertise on the matter, they have also both engaged in bigoted and incendiary rhetoric that disqualifies them from engaging productively on the subject.

Morton Klein:

In 2018, Klein compared Arabs to Nazis, and [doubled down](#) on his use of “filthy Arab” as a slur he found legitimate.

Morton Klein came to the defense of Jeanine Pirro after Fox News condemns her anti-Muslim comments suggesting the Hijab is a sign of disloyalty to the United States:

Klein also called for the U.S. to adopt Israel's discriminatory policies that profile on the basis of faith and background, [saying](#): "we should adopt the same profiling policies as Israel and be more thorough in vetting Muslims."

Morton Klein leveled sexist attack on Harvard-educated actress Natalie Portman, [suggesting](#) she was attractive but stupid, over her criticism of Benjamin Netanyahu:

ZOA chief draws ire for calling Natalie Portman beautiful, but not 'too bright'

Twitter users criticize Mort Klein for 'misogynist' tweet slamming Jerusalem-born actress over Netanyahu snub

Klein regularly attacks more established Jewish organizations for failing to seemingly engage in bigoted attacks. Here, he [makes](#) the baseless allegation that the Anti-Defamation League (ADL) does not condemn the murder of Jews by Arabs:

Morton Klein @MortonAKlein7 [Follow](#)

ADL does not condemn the Arab murder of Jews. It asks the Palestinians to condemn the murder. And it was Jason Greenblatt who works for Trump not ADL's Jonathan Greenblatt who condemned The Arab murder of Israeli Jews. I rescind my praising ADL-it did not condemn the Arab killer

Klein also attacks the ADL by accusing them of “promoting Black Lives Matter and ... the extremist anti-Israel group J Street,” [prompting](#) criticism from the Conference of Presidents of Major American Jewish Organizations:

When Fox News host Jeanine Pirro found herself in hot water a few weeks ago, after suggesting that American Muslims who wear a Hijab (including an American Muslim Congresswoman) could not be loyal to the United States, Morton Klein [tweeted his support](#) for Pirro's comments.

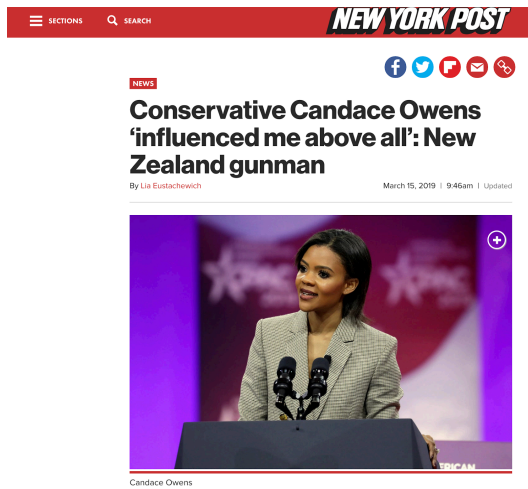

Jeanine Pirro's 'hijab' segment on Ilhan Omar earned a rebuke from Fox News — but sounds a lot like 2016 Donald Trump

Please remind @SadiqKhan that according to the birth rate, Europe will fall and become a Muslim majority continent by 2050. There has never been a muslim majority country where sharia law was not implemented. When we're forced to save you guys (again) we'll forgive the balloon.

@RealCandaceO Hi Candace. Don't know if you're aware the London Mayor Sadiq Khan is allowing a disrespectful Trump balloon to be flown over London during Trump's visit here. Just wanted to let you know that many Brits are horrified by this puerile posturing. It's embarrassing.

I've never been interested in the topic of Islam but given the censoring of @JudgeJeanine & the shameless anti-semitism of @IlhanMN, I will host a Muslim that has defected from the religion on my show to better understand the debate.

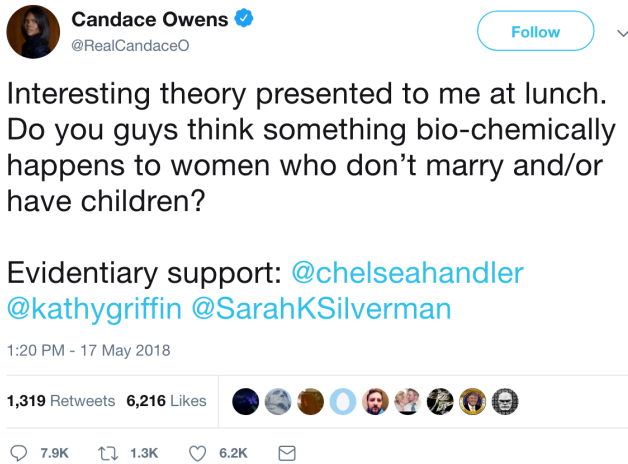

America needs MORE conversation Not censoring

Last year, Candace [attacked](#) liberal women she dislikes by taking a dig at the fact that they have not had children, suggesting not having children was the cause of a “bio-chemical” change:

The following is a summary from NBC news:

For Owens, climate change [is a lie](#) used to “extract dollars from Americans,” [abortion](#) is the “extermination” of black babies, undocumented immigrants brought to the U.S. as children [should be](#) immediately deported, and concern over rising white nationalism is “stupid,” [an opinion she expressed](#) after a white nationalist drove through a group of counterprotesters last summer in Charlottesville, Virginia, killing a woman.

Owens cites George Soros and “[globalists](#)” among the country’s most looming threats and has [called for](#) the imprisonment of Hillary and Bill Clinton, former FBI director James Comey, special counsel Robert Mueller and the TV anchors Jake Tapper, Rachel Maddow and Anderson Cooper, among others.

While completely ignoring Hitler's genocide against his own people, the pro-Trump pundit said the real issue with the Nazi dictator was that 'he wanted to globalize.'
