In order to continue being the most Transparent President in history, I will be releasing sometime this week the Transcript of the first, and therefore most important, phone call I had with the President of Ukraine. I am sure you will find it tantalizing!

Replying to @realDonaldTrump

Mulvaney, Hill, Bolton, Vindman and yourself admitted you asked Ukraine to investigate Democrats. Gordon D. Sondland testified he told Ukrainian officials that military aid was tied to their commitment to investigations Trump wanted. This is foreign interference in our elections

Mitch McConnell used nuclear option to tamper with Supreme Court, budget trick to ram through 1% tax cut and has ignored 400 bills House Democrats passed. He's up for re-election. If everyone who read this chipped in \$5 we'd flip Kentucky. #MitchMustGo
