Remember, Michael Cohen only became a "Rat" after the FBI did something which was absolutely unthinkable & unheard of until the Witch Hunt was illegally started. They BROKE INTO AN ATTORNEY'S OFFICE! Why didn't they break into the DNC to get the Server, or Crooked's office?

Replying to @realDonaldTrump

The correct term for someone working with law enforcement is "witness". "Rat" is the term criminals use for a witness.

The correct term after getting a legal warrant issued by a federal judge to ransack an office is "raided". "Broke into" is the term criminals use when they do it.
