The movable and immovable property of former Minister of Ecology and Natural Resources of Ukraine Mykola Zlochevsky in Ukraine has been seized, according to the press service of the Prosecutor General's Office of Ukraine (PGO).

"The PGO filed a petition to court to arrest the property of the ex-Minister of Ecology and Natural Resources of Ukraine, the Deputy Secretary of the National Security and Defence Council of Ukraine, Mykola Zlochevsky, from which arrest was withdrawn, and other property he actually uses, namely housing estate with a total area of 922 square meters, a land plot of 0.24 hectares, a garden house with a total area of 299.8 square meters, a garden house in the territory of Vyshgorod district, a garden house of 2,312 square meters, a land plot of 0.0394 hectares, a Rolls-Royce Phantom car, a Knott 924-5014 trainer," reads the report.

The PGO clarifies that the court satisfied the petition on Feb. 2.

"Thus, none of the objects of movable and immovable property, which was seized under the previous court ruling, has not been excluded from Zlochevsky's property," the press service said.

Zlochevsky is suspected of committing a criminal offense under Part 3 of Article 368-2 of the Criminal Code of Ukraine (illicit enrichment).
