I know you've thought this through and I trust your judgement, but you know releasing this transcript will only embolden them to demand more transcripts of other calls in their endless fishing expedition

I think we're seeing the Dems' launch of their new (wait for it) Ukrainian Collusion campaign bc the Ukrainian govt was met w/resistance when they tried to get evidence of Obama-administration corruption to the DOJ.

Hey traitor,

we don't care about one your calls. Authorize the ADNI to release the entire transmission sent to him by the Inspector General.

There's no escaping what's coming...trump will be exonerated (again) and now everyone will know how dirty the Obama/Biden administration really was. That 'whistleblower' is freaking out right now. Everything the left does backfires on them in a spectacular way.
