The so-called Whistleblower, before knowing I was going to release the exact Transcript, stated that my call with the Ukrainian President was "crazy, frightening, and completely lacking in substance related to national security."

...No Pressure at all said Ukraine! Very congenial, a perfect call. The Whistleblower and others spoke BEFORE seeing the Transcript. Now they must apologize to me and stop this ridiculous impeachment!

Sir, if I may, this is not an impeachment. This is a coup.

 We haven't seen the transcript. We have seen a memorandum. It says so right on the memorandum.

 The so-called Whistleblower, before knowing I was going to release the exact Transcript, stated that my call with the Ukrainian President was "crazy, frightening, and completely lacking in substance related to national security." This is a very big Lie. Read the Transcript!

 If it was a "very congenial, a perfect call" why did you move it from the server that normally stores such calls and lock it down on a highly classified, code-protected server?

If it was a perfect call, why do you order all witnesses to it not to talk to Congress?
