Gregg Nunziata @greggnunziata

Wow. This letter is bananas. A barely-lawyered temper tantrum. A middle finger to Congress and its oversight responsibilities.

No Member of Congress should accept it, no matter his or her view on the behavior of Pelosi, Schiff, or Trump.

Things are bad. Things will get worse.

WH letter." We hope that ,in light of the many deficiencies we have identified in your proceedings, you will abandon the current invalid efforts to pursue an impeachment inquiry and join the President in focusing on the many important goals that matter to the American people."

Add Cipolone to the long list of enablers, collaborators and willful accomplice to the most morally and criminally corrupt president ever.
