Donald J. Trump 
@realDonaldTrump

“They just wanted to get at the President. They had no intention of having a proper investigation. They couldn’t find any crimes so they did a vague abuse of power and abuse of Congress, which every administration from the beginning has done.”

"They had no intention of having a proper investigation."

Re-tweets the man who didn't:

- offer a single document
- authorize a single witness to testify.

You may be uneducated and a fool.
The majority of the American people are not.

Mr. President.
