

## ROBERT J. TRENSCHEL, DO, MPH

*Yuma Regional Medical Center President & Chief Executive Officer*

Dr. Robert Trenchel, board certified family physician, joined Yuma Regional Medical Center in July 2015 as President and CEO. His progressive and visionary healthcare management experience spans the leadership of hospitals, clinics, physician groups, community health centers and public health departments. With more than 20 years of experience as a family physician and medical educator, he shares his passion for serving patients through meaningful and compassionate human interaction.

He formerly served as the Executive Vice President of Harris Health System, located in Houston, TX where he was faculty at Baylor College of Medicine. His previous positions include Senior Vice President of Medical Group Operations for Aurora Healthcare in Milwaukee, WI, Vice President of Clinical Operations and Chief Medical Officer for Florida Community Health Centers in West Palm Beach, FL and Clinical Services Director for the Palm Beach County Health Department where he established a residency in

preventative medicine and public health.

He graduated medical school from Nova Southeastern University. Dr. Trenchel completed a fellowship with America's Essential Hospitals, as well as a National Health Policy Fellowship with the American Osteopathic Association.

At Yuma Regional, Dr. Trenchel's patient-centric, physician-focused leadership serves as an organizational beacon for the delivery of compassionate, high quality, efficient care. His clinical background and leadership experience in resource-challenged environments has enabled him to position the organization for success in today's rapidly changing healthcare landscape. As the recipient of the Baldrige Foundation's Award for Leadership Excellence in Healthcare, he fuels the desire to deliver more for patients and the community by challenging the status quo and seeking new innovative solutions.
