The Capitol Hill Show | Episode 2: Jim Jordan

From climate change to the war in Ukraine, from the economy to the very fate of democracy, 2024 looks set to be a defining year in US history. Veteran broadcaster Tim Constantine takes viewers on a journey through the US as he follows presidential hopefuls, policymakers, leaders and trendsetters from across the political spectrum to bring a unique and insightful look at US politics. Tim Constantine questions the motives and effectiveness of his subjects in his search for truth and accuracy. In the second episode, Tim sits down with two-time NCAA national champion wrestler turned powerhouse chairman of the House Judiciary Committee, Jim Jordan. The Capitol Hill show only on TRT World
