# "A Den of Thieves"

**TRUTH AND JUSTICE IS AT HAND**

**"And Jesus went into the temple of God, and cast out all them that sold and bought in the temple, and Overthrew the tables of the Moneychangers"**

## The Second Temple in Jerusalem

**"Moneychangers" Interesting - The Only Time Jesus Showed any kind of Aggression or Physical Display of Anger in his Entire Ministry. Has The Lord Withdrew His Disdain for Cheating People out of their Money Through Trickery? - NO!**

## The Federal Reserve Sanctuarium

**Today, we are Witnessing a Moneychanging Crime of Monumental Proportions. Every day our Labor and Life Energy is being Stolen from us by a System that was Designed to Transfer the Wealth of All Working People to a Small Elite Class of Money Overlords, whose Only Desire is Power and Control, with Nothing to Offer But Misery and Bondage**

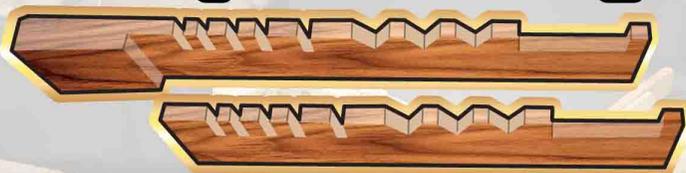

# The Tally System

*The First*

## Encrypted Ledger

**1100-1694**

### *Interest-Free Tokenized Assets*

**It's Hard to Believe in our Technological age, but there Once was a Time in England that for 600 Years (Before the Banks) Money was Counted on Tally Sticks. Perfectly Forgery Proof Sticks of Wood that were Split Lengthwise for Two Parties to Keep Track of Financial Transactions: Mostly Taxes - Lost to History - Can the Tally Stick Era Return?**

### *Honest Money Re-INVENTED*

**Yes, We Now Have the Technology to Create a System that Can Function as a Debt and Interest-Free Money Ledger, Forever Freeing Humanity from the Fractional Reserve Banking Scheme Dreamed up in Medieval Times. To Create an Asset-Backed Currency where The People Can Once Again Become the Owners of Their Life, Liberty and Property - A Structure of Currency that Eliminates Theft and Corruption by The Oligarchy**

THE NEW MONEY  REVOLUTION

# The Bank of England

Bank Note • Debt "Security" 1704

Founding

## Debt as Money

In England in 1694, A Grand Experiment Was Originated - What if Money was Converted from Something of Value, to a Future Obligation, A Promise to Pay, Blessed by The Government? The World would Never be the Same

## War Makes Debt

Empires Cost Money, Discipline Needs to be Maintained Among the Subjects. From the Years 1694 to 1763, England Piled up Massive Debt Fighting Many Conflicts. Just From 1756 to 1763 they Doubled Their Debt from £75 Million to £150 Million

**The Experiment Worked! Today, with Very Few Exceptions, The World Operates on a Promise to Pay System - Money Issued as Debt Created from Nothing - The Banks Have Even Gotten the World to Believe that this Unpayable Debt and Unfunded Compounding Interest is a "Security"**

# Colonial Script

*First Colonial Paper Money*

## The Currency Act of 1764

A British Law that Banned the issuing of **Paper Money** in the American Colonies and Required the Withdrawal of **Existing Paper Money**. The Act Demanded the Payment of Taxes owed to the Crown in hard Currency (**Gold and Silver**). The Effect was Devastating to the Colonies, causing a **Shortage of Currency**, greatly affecting Trade and Commerce

Pre-WAR Currency 1770

• Benjamin Franklin •

1793

"The colonies would gladly have borne the little tax on tea and other matters had it not been that England took way from the colonies their money, which created unemployment and dissatisfaction. The inability of the colonists to get power to issue their own money permanently out of the hands of George III and the **international bankers** was the Prime reason for the *Revolutionary War*"

THE NEW MONEY  **REVOLUTION**

# Failed Fiat Currencies

History is Littered with **Empires** that Have Collapsed for Many Reasons, but one of the Surest Ways to Destroy a Society is to **DEBAUCH ITS CURRENCY**. The **Federal Reserve Dollar** has Lost **97%** of its Value Since its Introduction in 1913. The **New USA Dividend Dollar** is a **Revolution** in Wealth Preservation

# The Silver Swindle

## ROMAN ERA

## U.S.D.C. ERA

- Silver has been the Central Medium of Exchange for CENTURIES
- **The Big Banks** Know that they Must Suppress the Price to Maintain the Illusion of Value for their **Fake Fiat Debt Money System** to Continue

# Greenbacks

## 1862-1865 • THE UNION

To Fund the Union Cause in the Civil War, European Banks wanted to charge 24% to 36% Interest. Instead, Lincoln Printed Debt and Interest-Free Greenback Paper Currency to Continue the War. \$450 Million Greenbacks were Printed (About 8% of GDP)

## THE PANIC OF 1873

Several Factors Converged in the Fall of 1873 to Create a Panic and a Depression that lasted for years. The Two Main Monetary Causes were the Planned Calling in of Greenbacks and the Demonetization of Silver, Which Contributed to a Stock Market Crisis

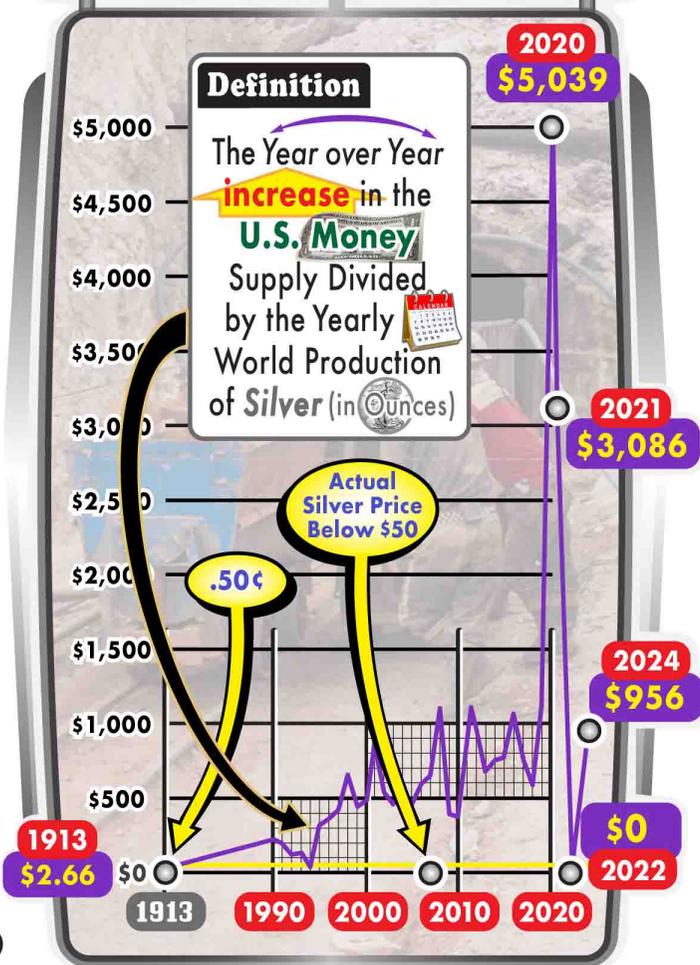

The Greenback Party Emerged Out of the Financial Chaos of 1873 with a Simple Idea - That the Government Should Issue (Unbacked) Debt and Interest-Free Money to Stifle the Influence of the Big Banks. While having Half the Equation for Honest Money in-hand their approach still led to the Disaster of The Federal Reserve Act of 1913, which gave us 100 Years of Servitude

# The Crime of 1873

## DOLLAR to SILVER Ratio

## An Ounce of Silver for a Day's Labor

During a hundred year period, from 1773 to 1873, a Single Ounce of Silver Paid For the Average Laborer's Daily Wage. Today, it would take nearly **10 Ounces of Silver** for a day's wage

The War on the Price Silver has lasted 150 years. If only **2% of the World's Population** Bought 1 Ounce of Silver, the True Price of Silver would be Revealed, Which is Between **10%-20% of the Price of Gold**

THE NEW MONEY  REVOLUTION

THE **FED** DEBT-MONEY DOLLAR

**TIMES UP**

THE **FED**

**BANKING  
CARTEL**

**CRIMINAL**

The Federal Reserve System was established in 1913 as a Master Class Financial Scheme. An Enigma so Diabolical and Obscure that for over a Hundred Years it has Foiled Any Attempt to Decipher its Dastardly Code of Destruction

**NOT FEDERAL**

These Founding Fathers of Deception knew that their Plan was the Perfect Formula to Deceive and Compromise the Politicians of the day, to turn over the Keys to the Magic Kingdom of Wealth Creation

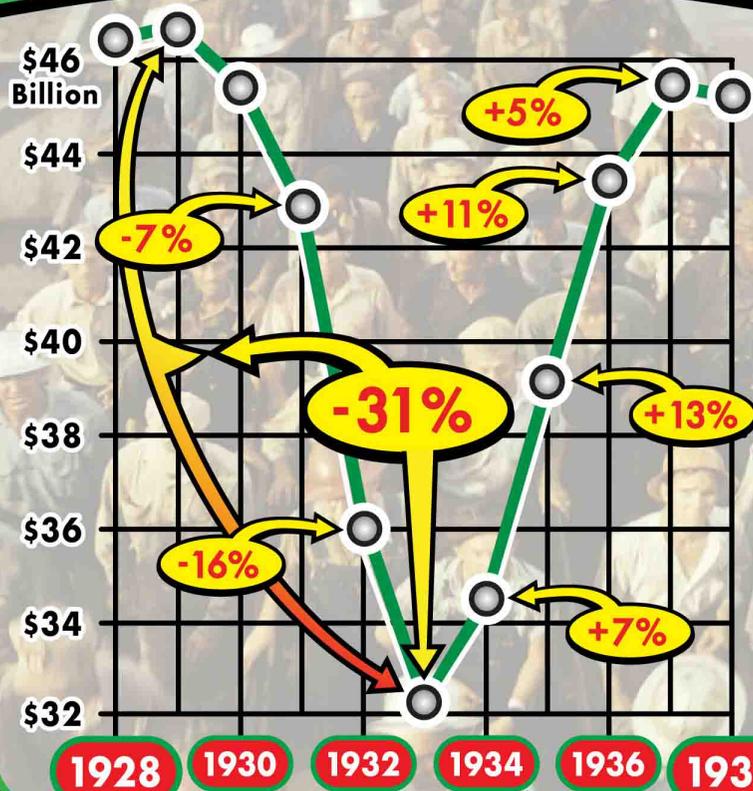

**NO RESERVES**

The Plan was to Create a Ponzi Scheme at the Highest Level. A Never Ending Cycle of Debt and Interest to Trap The American People into a life of Servitude. To take from the Government its Sacred Duty to Coin Money, and Regulate the Value Thereof

# The Great Depression

## US MONEY SUPPLY

### Incompetence and Malice

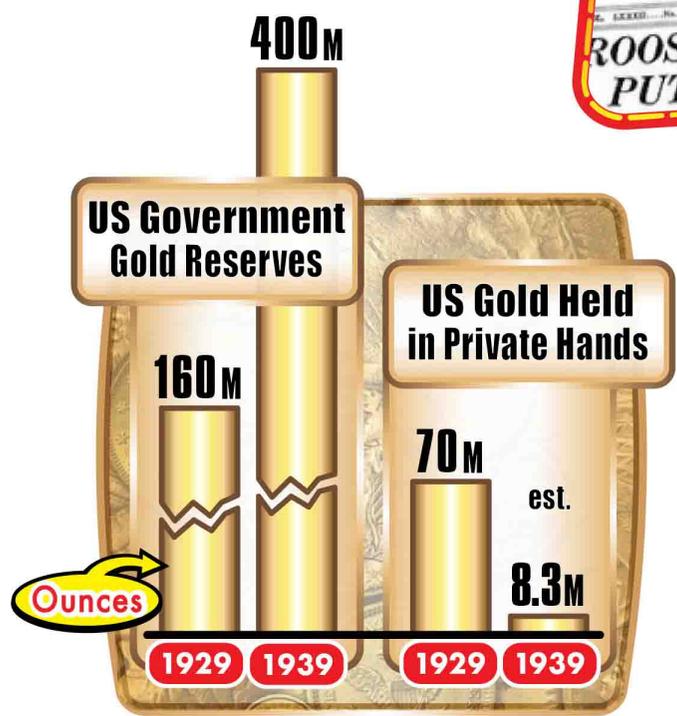

Between 1929 and 1933, 9,000 **US Banks Failed**. The **Federal Reserve Flunked** at its First Test to Backstop the **Fractional Reserve Banking System**. It Meant **Bankruptcy and Unemployment for Millions of Americans** - For the Banking Cartel - Opportunity - The Greatest Consolidation of Wealth in Human History

### Power and Greed

By Any Means Necessary - In The Banking World its the Motto of the Game - Extraction of Wealth - Lending Money Created from Nothing to Buy Assets on Margin is the Perfect Application of this Principle. A Bait and Switch Margin Call is all that's Needed to Scoop up any Asset for Pennies on the Dollar - The Boom & Bust Cycle, the Favorite Tool of the **Banking Cartel**

THE NEW MONEY  **REVOLUTION**  
 ROOSEVELT PUTS **Gold Confiscation** DAY, CONGRESS

 **1933 • A YEAR THAT WILL LIVE IN INFAMY** 

As if the **Stock Market Crash** and **25% Unemployment** wasn't Bad Enough, the **Great Gold Confiscation** put America on a Path of Financial Domination in the Bankers Grand Plan to Reshape America into a **Controllable Peasant Class**. Under the Cover of Crisis, The Government Stole the Last Remaining Token of Wealth from The American People, then Deviously Repriced Gold, Devaluing the remaining **Federal Reserve Paper Currency** by 40%

 **A HEIST OF EPIC PROPORTIONS** 

Do Something - That was the Mood in America in 1933 when the New Administration took over. Fresh off their Victory 20 Years Earlier with the **Federal Reserve Act**, the Banks Convinced a **Stifled Nation** to give up their **Gold** in an Attempt to Combat Deflation by Increasing the **Fiat Paper Money Supply**. A Century Later, it is Most Certainly Clear that Their Dual Scam **Fractional Reserve Unbacked Paper Debt Based "Money"** System has Failed

# The Deflating Dollar in Slow Motion

## THE FED BANKING CARTEL DOLLAR

## The Biggest Inverse Correlation in Human History

### AN ILLUSION:

A misinterpretation or a deceptive perception of reality

### TAKE Fungibility

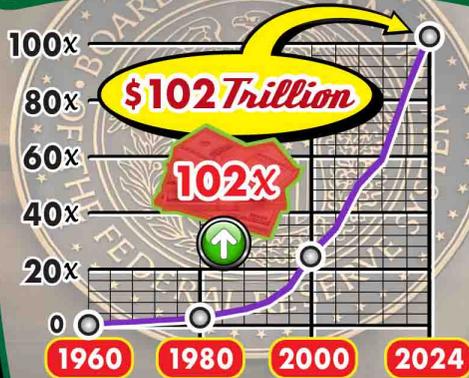

For Much of the last 400 years, the Banks, with the Complicity of Government, have maintained a Carefully Controlled Illusion - That **Money** is Fully Backed by **Real World Assets** -

In Truth, Money is Nothing More than a Promise to Pay In Fake **Debt-Backed "Assets"** on an Infinite Timeline

# The Debt Money Ripoff

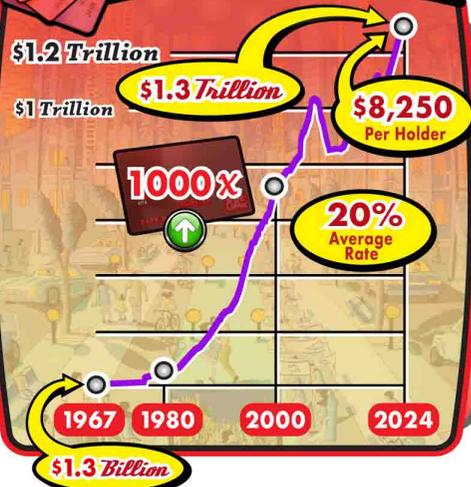

## TOTAL US DEBT

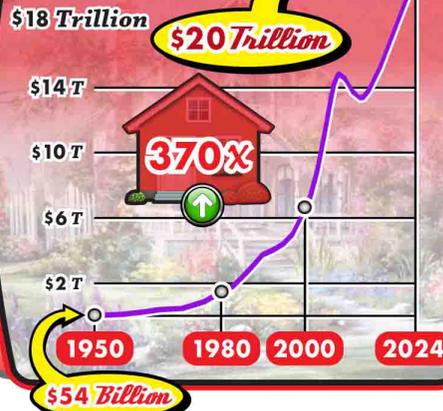

### WEALTH TRANSFER ON A GIGANTIC SCALE

**It's Hard for People to Believe: It Defies Description and Imagination, but Our Money is Issued as Debt.** Yes, Mathematically Unpayable Debt with Interest. The System Created in 1913 was Rigged by the Big Banks from the Start. It was Designed to be **RESET** when it Ground the Economy to a Halt. When Taxes and Debt Service Overwhelmed the Ability to Pay. **The Trap has Been Set. So, Let's Flip the Tables on the Banks**

# THE PONZI KING

**FRAUD!**

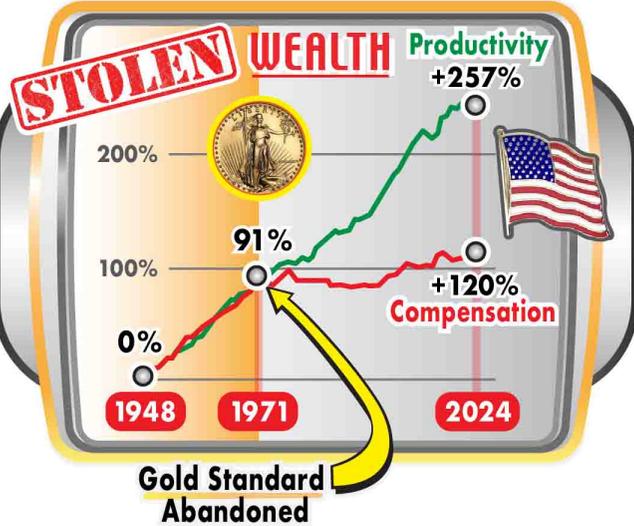

**The Framers of the Federal Reserve's goal was to so mask the Creation of Money that the Vast Majority of people would never understand how they were being Cheated**

**The Power to Create an Infinite Supply of Interest Baring Money from Nothing Backed by Debt, means in theory, that their Crime of ever increasing Unpayable Debt - Would Never Be Discovered Or So They Thought...**

**Ponzi Scheme: A form of fraud that lures investors and pays profits to earlier investors with funds from new investors**

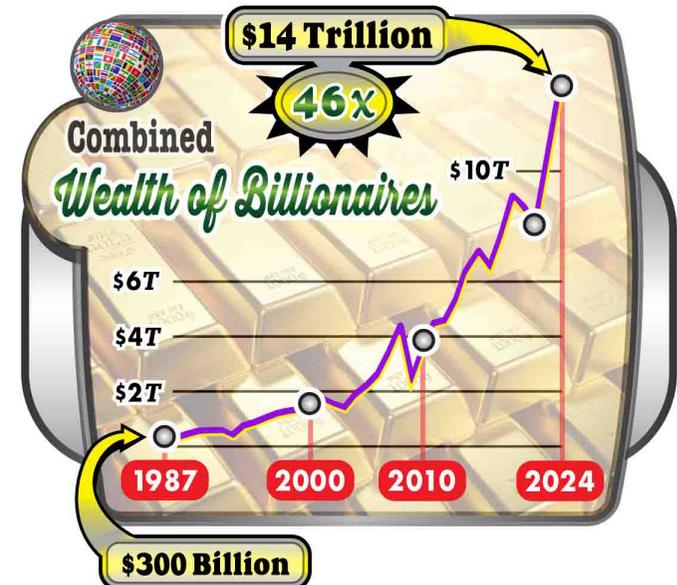

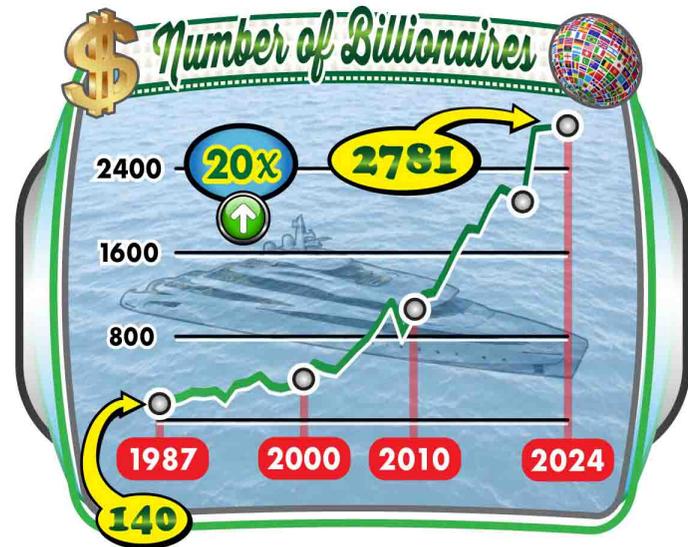

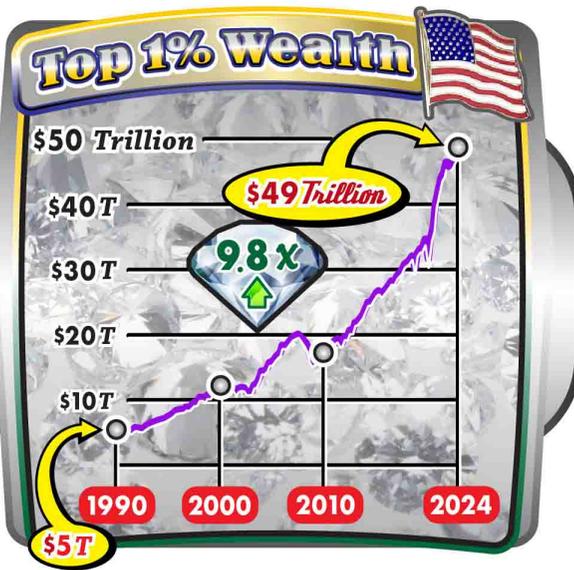

# Rigged by the Banks

## THEFT • HEIST • ROBBERY • LARCENY

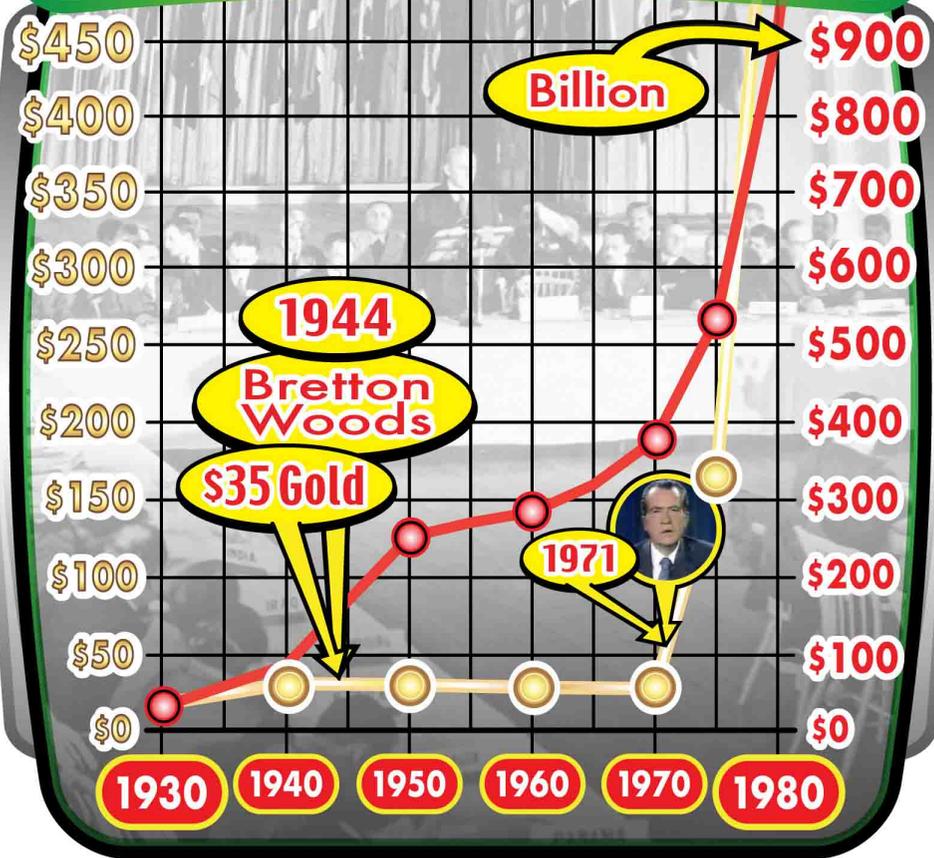

From its Inception in 1910 on Jekyll Island, The Federal Reserve along with Fractional Reserve Banking was designed to Extract Wealth from the Working Class to the Unproductive Banking Class. It was a Carefully Crafted Scheme to Skim 20% of all Commerce and Wealth Creation into the hands of an Elite Few - They Knew, That if Successful, America would be Trapped in a Debt Spiral Impossible to Escape from

# The Bretton Woods System

## GOLD PRICE & US NATIONAL DEBT

## The GREAT FIAT Setup

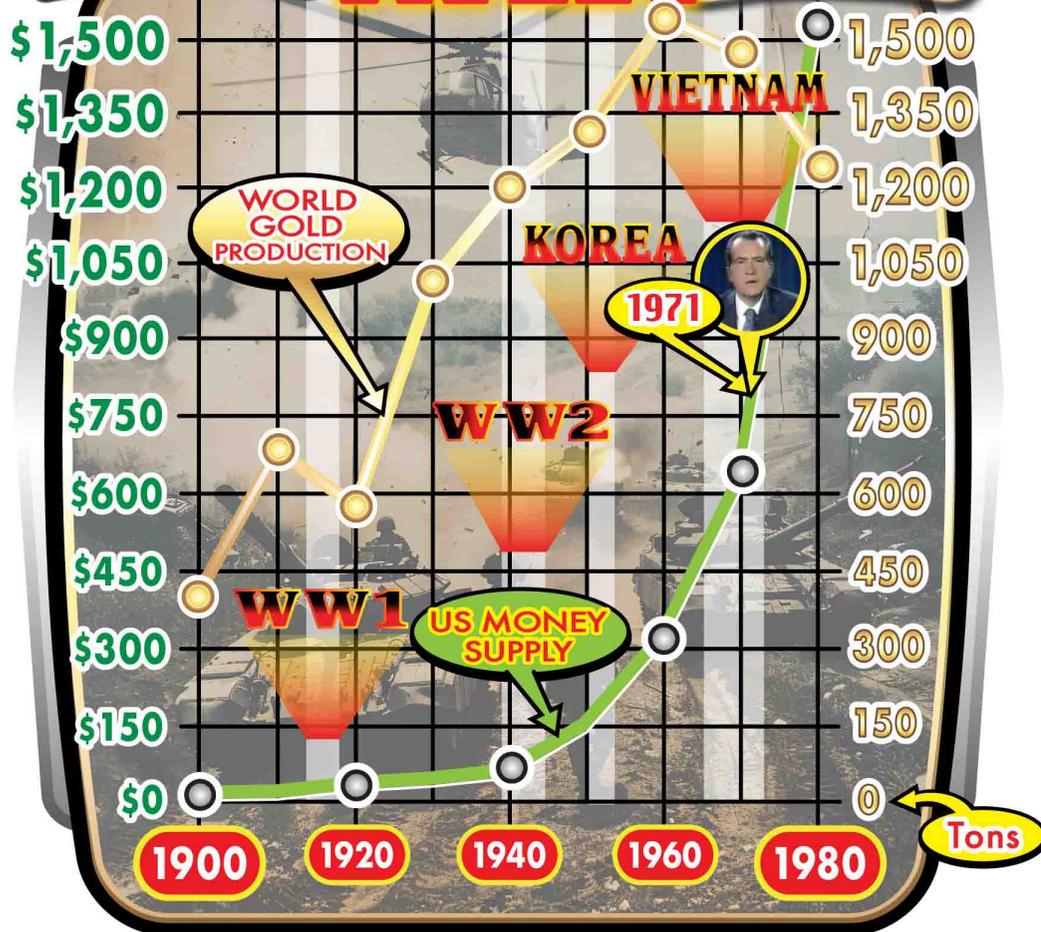

The Plan of the **Banks** for the last 150 Years was to Remove the Idea of Money as Representing Assets. To make Money Strictly a Tool of Wealth Transfer from the Productive to the Controllers. The Bretton Woods Agreement set up an Impossible to Reconcile Dichotomy between a **Fixed Price of Gold** and the Unlimited **Printing of "Money"**. They knew the System would Eventually Break, and They would be Free to Create Their **Fiat Debt Money Scam Paradise**

### FIAT: An Authoritative or Arbitrary Order

Fiat money is a "government-issued" currency that is not backed by a physical commodity such as gold or silver. Instead, its value is derived from the public's trust and confidence in the "government" issuing it.

# The Gold Window

## THE FED WAR GOLD

## THE GREAT FIAT UNCOUPLING

On August 15th, 1971 President Nixon Quietly Defaulted on America's Commitment to Exchange Gold for US Dollars to Foreign Countries under the Bretton Woods Agreement. Amazingly, for 47 years the Price of Gold was Pegged to the US Dollar at \$35 an Ounce. The World Had Called America's Bluff, and the Era of Unlimited FIAT Money Began

## THE BANKERS BIGGEST TOOL

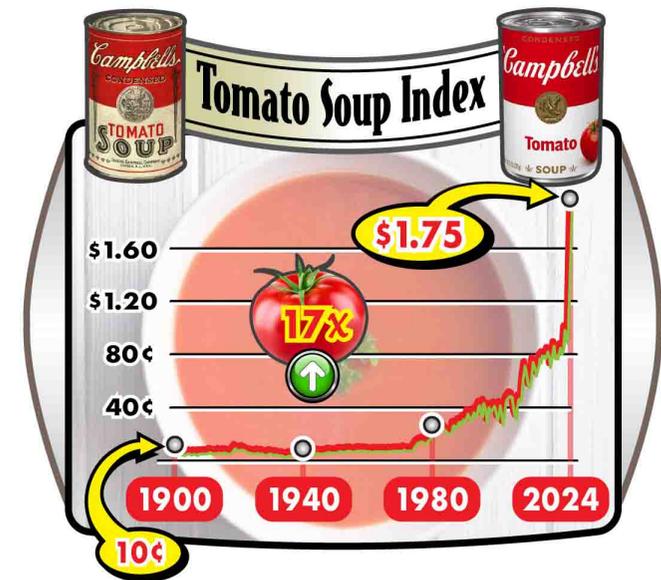

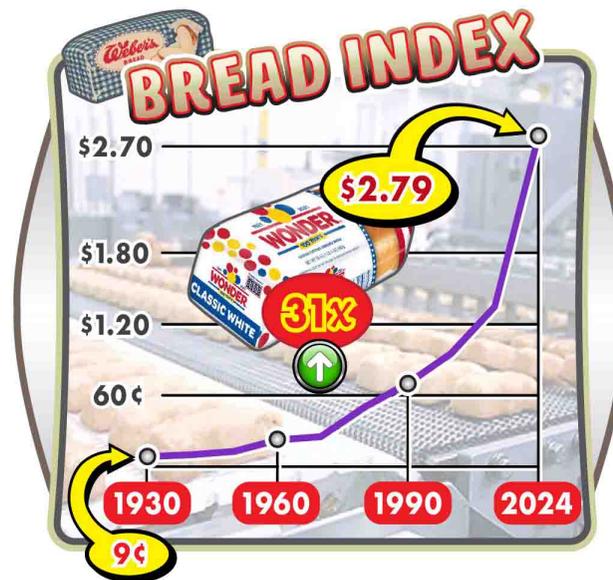

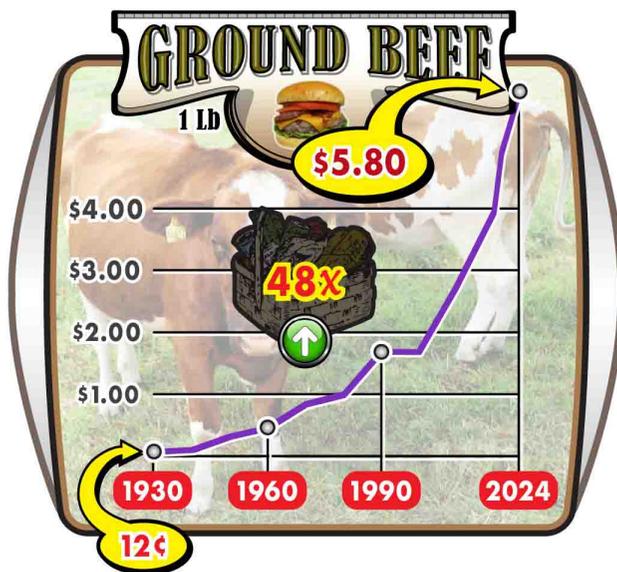

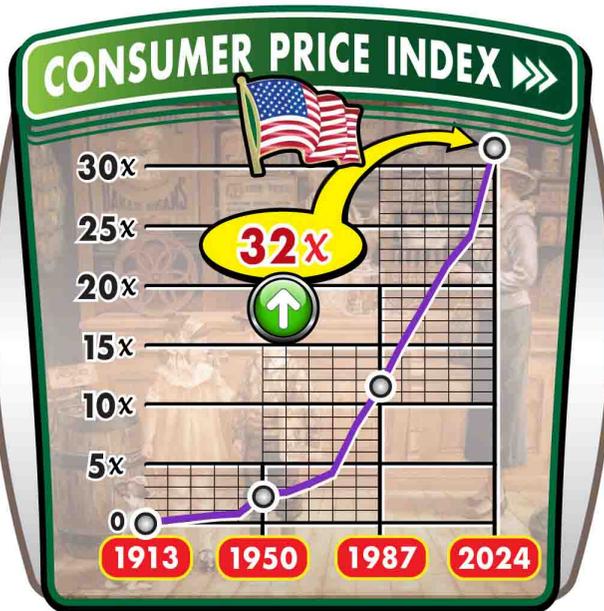

How do you trap The People and Governments in a Debt and Interest Death Spiral? You Play the Banks Favorite Game - War of the Worlds - From 1900 until 1980 World Gold Production Grew by only 4x, while the US Money Supply increased by over 200x. After 1971 the Banks were Finally Free to Enable their Master Plan of World Dominion

# Inflation

## GRAND THEFT by THE FED

**Inflation** - An Invention of a Word to Cover-up the **Biggest Crime** in Human History - The Theft of a Nation. The Proper Term is **Deflation**, Because when you're dealing with **Crime you Blame the Perpetrator and not the Victim**. The Value of the Dollar is **Deflating** Thanks to the **100 Year Criminal Scheme** Implemented by the Banks in their **Federal Reserve Debt Money System**.
