

Good Morning, Representative Crockett,  
I am Nancy J. Ellis, former Mayor and former Vice-President of Council of the Borough of Charleroi, Charleroi PA, 15022. I recently ran again coming out of retirement to win the Office of Mayor and seat on Borough Council. I am proud to state that in the past I was named Citizen of the year by the Charleroi American Legion Post 22, for my efforts on behalf of Veterans. It has been brought to my attention that a member of Charleroi Borough Council will be addressing the Judiciary Committee regarding TPS. And the Haitian Community.

Mr. Larry Celaschi does not represent all the people of Charleroi, if he did Would not have won two seats in the election, one of which, the office of Mayor I won against his hand picked Candidate.

I write to object to Mr. Celaschi speaking to the Judiciary Committee as his opinions are biased, and will not give a fair view of the Haitian community of Charleroi. If it is not possible to stop Mr. Celaschi addressing the Committee, I would like equal time to give testimony as to the benefits the Haitians and other immigrants groups have provided to our community.

If at all possible please accept my invitation to visit our Borough. We would be honored to have you here.

Thank you for your. Consideration of this email.

Sincerely,

Nancy J. Ellis  
Mayor Elect. (Former Mayor)  
Councilwoman Elect. (Former Vice President of Council)
