Every single person on US soil should be allowed to work without any restrictions of any kind. It is beyond belief that we want people who only consume, not produce. Protectionism is brain cancer.

Ahmad Beirami ✓ @abeirami · Aug 24

ICE just published a new memo (BCM 2608-01) targeting international students. It effectively blocks universities from authorizing CPT internships that are not strictly mandatory for every student to graduate.

Even though internships in CS are not technically required for a [Show more](#)

Broadcast Message: Reminder of Liability for DSOs Regarding CPT Authorization

To: PDSOs and DSOs at SEVP-certified schools

Date: August 12, 2026

BCM Number: 2608-01
