

Questions for the Record from Chairman Darrell Issa for Dr. William Hannas  
“IP and Strategic Competition with China: Part III – IP Theft, Cybersecurity, and AI”,  
October 19, 2023

---

1. How have cultural and political differences between Communist China and the United States affected our respective AI development paths?
  - a. Follow-up: How do you expect those differences to affect our competition in AI going forward?
2. What are the biggest challenges that are facing the U.S. AI innovation ecosystem, especially in its competition with China?
